

BEHAVIORAL AND  
SOCIAL SCIENCES AT NIH:  
ADVANCING THE  
SCIENCE TOGETHER  
WEDNESDAY, NOVEMBER 12, 2008 | NIH MAIN CAMPUS - NATCHER CONFERENCE CENTER

## Behavioral and Social Sciences at NIH: Advancing the Science Together

A full-day retreat for NIH behavioral and social scientists with goals of strengthening the community, advancing the science, and improving health through enhanced communication and coordination.

Please note that this event is restricted to NIH staff only. Non-NIH staff is not permitted to attend, as this is a retreat for behavioral and social scientists employed at the National Institutes of Health.
